Note: OUR PIZZA AREA CONTAINS FLOUR

My staff & I hope that you have noted the frequent usage of the word homemade, a word that means everything to us. We make the bread on your table from scratch twice daily. Our salad dressings, soups, sauces, desserts & a growing number of our pastas are all made in house. You may have also noticed the small size of this restaurant. It is a positive in the sense that it allows us to cook in small batches using the freshest ingredients. We grate our own Imported Romano Cheese & purchase produce daily. My staff & I hope you enjoy dining with

Thank you! Dave
